- A) them
- B) their
- C) they

## Pronouns - quiz

Answers

Level A

1. Choose the right pronoun to correctly finish this sentence:

\_\_\_\_\_ need to follow me closely.

The correct answer is: A. You. 'You need to follow me closely.' This is the only option that agrees with 'need'. Any other option would have to be 'needs' - e.g: 'He needs to follow me closely.'

2. Lewis, Luke and Thomas were cross because \_\_\_\_\_ had waited ages for the bus.

The correct answer is: C. They. 'They' means 'Lewis, Luke and Thomas' in this sentence.

3. Palvinder watched the children carefully as \_\_\_\_\_ crossed the road.

The correct answer is: C. They. 'They' means 'the children' in this sentence and is the answer that makes sense here, if the children are crossing the road. If it was Perminder crossing the road, then 'she' would also be ok.

4. Hold the bag please while I put the shopping in \_\_\_\_\_ .

The correct answer is: B. It. 'It' means 'the bag' in this sentence.

5. Melanie and I are going soon so you can come with \_\_\_\_\_ .

The correct answer is: D. Us. 'Us' means 'Melanie and I' in this sentence.

6. Thank you for collecting \_\_\_\_\_ .

## Pronouns - quiz

The correct answer is: A. me. 'Me' is the only answer that makes sense here as it is the only object pronoun (the 'who' or 'what' that was collected). 'Him', 'her' and 'them' would have been ok, but not 'he', 'she' or 'they'.

7. I wonder why Geoff rushed off. Did you upset \_\_\_\_\_ ?

The correct answer is: B. him. 'Him' is the only answer that makes sense here as it is the only object pronoun (the who or what acted upon). 'Him' means 'Geoff' in this sentence.

8. \_\_\_\_\_ hope those flowers are for me.

The correct answer is: C. I. The 'me' at the end of this sentence is your clue here, as this is a person talking about themselves. The only answer that makes sense therefore is 'I'.

9. Open the door. It's \_\_\_\_\_ .

The correct answer is: C. me. 'Me' is the only answer that makes sense here as it is the only object pronoun (the 'who' or 'what' acted upon). 'Them', 'him' or 'her' would also have made sense here, but not 'I', 'they' or 'she'.

10. Sarah wanted Lisa to follow \_\_\_\_\_.

The correct answer is: D. her. 'Her' replaces 'Sarah' in this sentence. It is the only option that makes sense as Sarah is female AND it is the only object pronoun (the who or what acted upon).

## Pronouns - quiz

Level B

1. Choose the right personal pronoun to correctly finish this sentence:

They have taken the money. Please run after \_\_\_\_\_.

The correct answer is: D. them. 'They' at the beginning of the sentence is a clue - the sentence is about more than one person and 'you' aren't one of them. 'Them' is the right answer because it is an object pronoun, it is the thing that is run after.

2. \_\_\_\_\_ thought the holiday would be ideal for us.

The correct answer is: C. We. This is the only possible option as it is the only subject pronoun. 'He', 'she' or 'I' would have worked, but not 'him', 'her' or 'me'.

3. I was stopped by a woman who wanted to ask \_\_\_\_\_ the way to the post office.

The correct answer is: C. me. The clue in this sentence is that it starts with 'I' - 'I' is the person talking. The personal pronoun therefore needs to refer back to the person talking, so the only possible option is 'me'.

4. What is wrong with \_\_\_\_\_?

The correct answer is: B. them. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'is'. 'Him' or 'her' would also have worked, but not 'he', 'she' or 'they'.

5. Ali and Marcus would like to invite \_\_\_\_\_ to the party too.

The correct answer is: A. you. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'invite'. 'Me', 'them' or 'her' would also have worked, but not 'I', 'they' or 'she'.

## Pronouns - quiz

6. I can't find \_\_\_\_\_ anywhere.

The correct answer is: A. it. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'find'. 'Him', 'her' or 'them' would have also been possible, but not 'he', 'she' or 'they'.

7. There is a message for \_\_\_\_\_ on the pad.

The correct answer is: C. you. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'is'. 'Him', 'her', or 'them' would also have worked, but not 'he', 'she' or 'they'.

8. Now you're here, please go with \_\_\_\_\_.

The correct answer is: D. them. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'go with'. 'Us' or 'her' would also have worked, but not 'we', 'they' or 'she'.

9. My jumper doesn't fit anymore. I think I've shrunk \_\_\_\_\_.

The correct answer is: C. it. 'It' means 'my jumper' in this sentence. This is the only possible option as it is the only object pronoun - a pronoun that takes the action of the verb 'shrunk' - it is the thing that you shrunk.

10. What can \_\_\_\_\_ do about it?

The correct answer is: C. you. This is the only possible option as it is the only subject pronoun - a pronoun that the sentence is about. 'He', 'she' and 'we' would also have worked, but 'him', 'her' and 'us' don't.

## Pronouns - quiz

Level C

1. What does 'it' refer to?

Dad, can you take my coat and drop it off at the dry cleaner's

The correct answer is: B. 'It' refers to 'my coat'
